## Credit Union Increases Local Membership

Many people have now grasped the idea behind the Credit Union and are using its facilities to save money. There is an average of 10 new members passed upon every meeting, and the total membership is away over fifty now.

The members of the Credit Union know that it is there to help them build up their own resources, to teach them and to help serve each other. They know that the Credit Union is not for profit, or charity, but for service.

The non-English speaking depositors do not have to worry, for there is someone who can speak the Slav language fluently. If they are in any way "stuck" on how to make their deposit slips the man at the desk will show them. They know that they do not need a great deal of money to make a deposit. Anything they can spare. They know if they put in 50¢ a pay instead of spending it on cigarettes, or pot, that by the end of the year they will have have saved several dollars, and also have interest payed on it. They also know that their money is in safe keeping, because each member handling money is bonded, they know that it cannot be speculated unless it is in a way that is in accordance with the provincial by-laws. They know that they can withdraw it at anytime, and if they want a loan they do not have to go through a lot of red tape. They know their officers because they themselves have elected them.

The office hours are set so as to be as convenient as possible to all. The office is right on main street in Mr. A. Wilson's Insurance office and the hours are from 10 a.m. to 12 p.m. and in the afternoon from 2 p.m. to 4 p.m.

If you are in the least bit interested, just ask around. One of the officials will be around and explain things to you, or if you are in town see A. Wilson, he'll tell you all about it.

## McGillivray Mine To Continue Operations Here

The many persistent rumors that the McGillivray Mine might be shut down on account of rising production costs and complicated mining problems were put at rest following the annual meeting of the coal company held here on Friday last.

After a careful examination of the property of the McGillivray Creek Coal and Coke Company by one of Canada's most eminent engineers, it was decided to continue operations. H. A. Howard, president, announced Saturday morning.

A statement will be issued to shareholders of the company in due course outlining the company's prospects and future operations. Another favorable factor that influenced the decision to continue was the encouraging coal production for the first 3 months of this year.

ROYAL SISTERS ATTEND EGYPTIAN FAIR — Fair Fawzia and Faiza, sisters of King Farouk, are seen at Egypt's miniature world's fair, 200 acres of exhibits. Princess Fawzia, considered one of the world's most beautiful women, was divorced by the shah of Iran, and recently remarried.

CHIEF SCOUT — The Lord Rowland, M.C., T.D., chief scout of the British Commonwealth and Empire, is pictured on his return to London, Eng., after the Pan-Pacific tour which he had on Dec. 17, 1948. The highlight of the tour was the Pan-Pacific jamboree held at Wonga Park, Melbourne, early in January, which was attended by more than 10,000 Scouts. The gathering was made up of contingents from all the Australian states, New Zealand, Malaya, Fiji, Hong Kong and Tahiti as well as from South Africa, Canada, India and Pakistan. — S.N.S. photo.

SEARCH FOR MACHINE-GUN BULLETS — Police in Hamilton, Ont., are still searching for 23 machine-gun bullets after two boys narrowly escaped death when one of the bullets exploded. The bullets, according to the boys, were found in a recently vacated house. John Termini, nine, still has his eyes bandaged. They were filled with dirt when the bullet being pounded into the earth exploded. John Rymer, seven, a playmate, leaning over the bullet as he drove it nose-first, into the ground, escaped with a face blackened and slightly burned from cordite. Termini is pictured with a cousin. — S.N.S. photo.

FESTIVAL QUEEN — Beaming beauty is Jenny Childress, selected from 50 candidates as Festival of States queen at the coronation ball in St. Petersburg, Fla., recently. Week-long festivities were climaxed by gigantic parade with all the trimmings. — S.N.S. photo.

YOUTH CLUB CHIEFS — As an armament of P.C. Goliath, Jerry Brennan, forming a boy's athletic club at Wasaga Beach, Ont., the result of this community's efforts, the district's youth have declared that its village is free of juvenile crime. After various cottage break-ins and other minor disturbances had been committed by teen-agers, "Jerry" Brennan decided that something should be done to give the youths other interests, so he formed a boys' club. Now there are no more break-ins and the club proudly boasts of 55 members. Above, Jerry is seen displaying models he helped build with Bobby Winnick, Jack Dollo, front; Ross Brown, Ron Inch, rear. — S.N.S. photo.

YOUNG JEWS — Young boys in traditional Jewish attire, including twin babies, Paul and Paul Cohen, eight, from their elderly counterparts, Herman and Solomon Broit, 94, but binding them is the ancient tradition of the Hebrew faith, as the nonagenarian pair explain to their bright-eyed successors the significance of the Hebrew passover, in the Brooklyn Hebrew Home and Hospital for the Aged in Brooklyn, N.Y. — S.N.S. photo.

ARTISTIC TALENTS — In Simcoe County a quilt fair has been organized which will give much impetus to the arts and crafts which have long given expression to the artistic talents of Canada's rural communities. Above Mrs. J. K. Marshall, of Barrie, Ontario, completes a braided rug.

"LOVABLE OLD FILM RASCAL" — Grizzled Wallace Beery, who recently celebrated his 34th year as the "lovable old film rascal" in such films as the tumultuous movie, died in his home of a heart attack. He was 65. It was the last of many seizures suffered by the lusty character actor since he strained his heart last summer cranking an outboard motor. As a young man he was a chorus boy and a railroad wiper in a roundhouse. As the grizzled old rascal he played minor roles in more than 250 pictures and became the nation alternately chuckling and weeping for almost four decades. Only Lionel Barrymore boasted a longer Hollywood career. The actor was married twice. His first wife was Gloria Swanson. They were divorced in 1918. His second wife was Rita Gilman. They adopted Carol Ann, daughter of her cousin. Divorce ended this marriage in 1930. — S.N.S. photo.

HAP'S WHITE HAT FINALLY MUCH IN DEMAND — During the regular season, the Toronto Maple Leafs just couldn't win three games in a row and ended Coast-to-Coast Day with his favorite chapeau which he couldn't don until the last had been accomplished. But now the Allan Cup is won it is a different story. Two of Leafs' strongest roosters are pictured here. They are Hap Day's two children, June and Perry with their dog Mickey. Perry is wearing, you guessed it, his dad's pearl-white hat, which was donated by a local woman and which is believed to be the only one of its kind in Canada. — S.N.S. photo.

WELL LUBRICATED — Even a lad of tender years believes in well-lubricated machinery. Shown applying the oil can to his tricycle is four-year-old Richard Harris, while two-year-old brother, Derek, watches the operation. They are the sons of Mr. and Mrs. Roy F. Harris of Ten Mile Point, Victoria, B.C.

WORLD'S CHAMPION — Club Leader Jack Wauchop shows how he milked the 1,324 pounds of butterfat on 22 a day milking from Lynden Hartog Daley in 365 days to make her a new world's champion. Behind him from left to right are: M. F. Cockburn, Agricultural Representative, York County, Ont.; L. O. Gourley, C. J. Creswell, D. S. Dunton, Roy H. Barker, noted Holstein breeders and F. R. Ormiston, Holsteinelman.

## OUR COMPLETE SHORT STORY

## CARILLON :: There Is No World Alone.

By Louis Arthur Cunningham

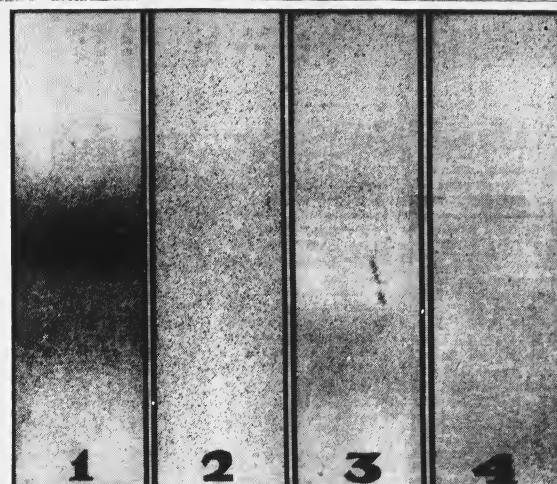

LITTLE Mrs. Westmeyer was happy. She and Bernard, her husband, had never got the children they wanted; little Bernard was a musician, and had not been able to marry. There were, around their prosperous bungalow, many things she did not like. To the rear of it a great steel structure, an apartment building, was crawling skinnily towards the sky and men, dwarfed to the size of ants, crawled about its skeleton. All day long the staccato hammering of the riveters jarred upon her. But at five o'clock they always stopped for a while and there was peace. Then, next door, there was a poor old man who lived there. Vaguely she believed there was a woman and six, maybe seven, children. Also a big, grimy-faced man who came home in greasy overalls at night. Several times she had seen him and shuddered when she put herself in the place of the woman who would greet him, receive his kiss of greeting and give him his food.

But those intruding thoughts did not penetrate her armor of happiness this day. She looked indifferently upon the ragged, varicolored duds... red underwear, denim shirts... plaid monstrosities of children?

EFFECTS OF FOUR SPRAYER NOZZLES—Four sections above illustrate the coverage effected by four different spray nozzles. The sprayer moved from left to right in all cases. 1. Moving at 4 m.p.h., 20 inches above the surface and at 50 lbs. pressure. A common nozzle used in knapsack sprayers concentrated most of the spray material directly below the nozzle without covering the edges. 2. Best distribution was obtained in this case placed 20 inches wide and 16 inches high. 3. It can be seen that the two nozzles used in this case placed 18 inches high gave fairly good distribution throughout. In No. 3 and 4 the speed and pressure in each case was 4 m.p.h. and 35 lbs.

She could see Bernard up there in the belfry, striking the keys, a smile on his thin face, thinking of her who listened. Doria's heart ached to the song he had written for her ended softly. "Alone... she and Bernard... in the belfry..."

Tap-tap-tap-tap-tap... Up in the steeple a lone riveter had begun again. Doria stared up angrily. The incandescent fool! An ass braying while a maestro sang. But there was rhythm to the hammering... strange... vocal music. Doria looked across the lot. On the rickety back step of the poor house a dowdy woman, her soapy hands twining in her apron, looked skyward at the steel giant and waved an answer.

Doria knew there was no world alone.

## WEDDING

## HABDAS-HOPKINS

The Holy Ghost church in Coleman was the scene of a Spring wedding on Saturday morning, April 23, when Evelyn Mary, only daughter of Mr. and Mrs. William G. Hopkins of Coleman became the bride of William Thomas, eldest son of Mr. and Mrs. John Habdas of Blairmore, Father Leo Sullivan performing the ceremony.

The bride, given in marriage by her father, wore the traditional white satin gown, with floor length veil, a coronet of silver pearl effect and carried a bouquet of American Beauty roses, her only ornament being a double strand of pearls, the gift of the groom. Miss Phyllis Hardy was bridesmaid and chose a dress of pink satin and net. Attending the bride was Joanne Beeler, Alice McPhail and Joan Hargraves who were dressed in pale blue and chapel veils and halo of roses and carried bouquets of Kotsomo carnations. The matron of honor was Mrs. H. Hazuka, who was attired in pale blue silk and wore a corsage of red roses and carnations.

Attending the groom was man, Joseph Galich as best man, Randy Keeleg, Lud Stoury Zy, Laddie Czerney and Michael Czech.

Following the ceremony a reception was held in the banquet room of the Grand Union Hotel. The toast was given to the bride and groom by John Chamberlain, a cousin of the bride, to which the groom responded. The bride's table was decorated by pink and white carnations and centered with a three tiered wedding cake.

The bride's mother was attired in a figured silk dress with blue accessories and wore a

corsage of roses. The groom's mother wore green crepe dress with matching accessories, and wore a corsage of roses. Later in the evening a gathering of 150 guests met at the Polish hall, Coleman, where dancing was enjoyed by all.

Mrs. Hobson of Blairmore sang "Because", as the bride and groom departed.

The young couple will reside in Blairmore, where the groom is employed.

Out of town guests included Helen Kropinak, a cousin of the groom from Bothell, Washington.

*That's it!*

THE MOST *Beautiful* THING ON WHEELS  
... and PRICED RIGHT too!

Yes, Pontiac's first completely new line in more than seven years! Into its creation went years and years of research, trials, designing and redesigning, testing and re-testing. And finally everyone was satisfied... everyone said, "That's it... here's a car that's fine enough in every way — a car that incorporates the 14 major advancements we sought — and yet retains all the thoroughbred characteristics that Canadians have learned to expect from Pontiac."

You are in for a thrill when you visit your Pontiac Dealer. You'll see a car of breathtaking beauty — a car with more comfort and roominess, broader vision, greater safety. It's a powerful, responsive car, easy to drive — and a pleasure to drive. You'll say it's a really remarkable motor-car value, whether you compare it with luxury cars, medium-priced cars, or other cars in Pontiac's own price field... For Pontiac is priced with the lowest! ## WEDDING

MARTLAND — MONTI

“Saint” Theresa’s church, Hillcrest was the scene of a wedding that united prominent Hillcrest and Coleman families on Saturday, April 23, at 10 o’clock when Rose eldest daughter of Mr. and Mrs. Henry Monti of Hillcrest became the bride of Charles Martland, only son of Mr. and Mrs. William Martland of Coleman. Father Anderson officiated.

The bride entered the church on the arm of her father who gave her in marriage. She was attired in white satin gown trimmed with rows of silk lace. Her hip length veil was held in place by a seed pearl tiara, and she carried a bouquet of American Beauty Roses and white Carnations, and wore as an only ornament, a double strand of pearls, her gift from the groom.

The matron of honor, Mrs. Lillian Lloyd, sister of the groom, wore a dress of aqua blue with matching accessories, and wore a corsage of American Beauty Roses. The bridesmaids, Misses Ernestine Monti and Ruth Gregory wore pale blue chiffon gowns and bouquets of pink carnations.

Mr. Morden McNeil of Hillcrest was best man, while Norman Ford and Fred Lloyd of Coleman assisted.

Mrs. Helen Urwin of Blairmore presided at the organ, while Mrs. Ethel Kostelnik of Coleman sang during the Mass.

A reception was held in the Hillcrest Catholic Hall following the ceremony with over 100 guests attending. The bride’s table was decorated with vases of spring flowers, and centred with a three tiered wedding cake. Father Henderson proposed the toast to the young couple’s future happiness, to which the groom responded.

The bride’s mother chose for her daughter’s wedding a black jersey dress with matching accessories, and a corsage of pink carnations. The groom’s mother was attired in a figured jersey

with white accessories and a corsage of pink carnations.

The young couple will reside in Coleman, where the groom is employed in the trucking business.

WINNIPEG, April 28—If any doubts that a variety of uses are being found for TCA’s air cargo service, note the following: Recently a trans-Canada North Star carried two pounds of hormones valued at \$20,500 for distribution to European hospitals and another carried 12 dozen turkey eggs to British poultrymen for breeding purposes.

## FULFILL YOUR PROMISES

You have known many men who would make any kind of promise in order to secure the thing they were after, knowing full well they never expected to make the promise good. One of the shortcomings of most men seeking office, whether it be political or otherwise, is to make promises they never expect to fulfill. Lions should always guard against making any promises, either as a club member, in business or politically, they know would be impossible to carry out.—Gulf Beach Lions Roar, St. Petersburg, Fla.

## Announcing The OPENING OF A New Auto Body Shop

We wish to announce to the people of the Crows Nest

### COLEMAN AUTO BODY SHOP

R. McLENNAN, Prop. West Coleman

Just before payday you've probably looked at what's left of your wages or housekeeping  
money and said: "Where does the  
money go?" A company must ask itself  
the same question, and each year provides  
the answer in its annual report.

The dollars we received last year—for  
gasoline, kerosene, fuel oil and other  
products—went this way:

**Crude Oil** and other raw materials we  
needed to make the products took the first  
big slice. Depending on where you live  
your oil may have come from Arabia,  
from South America, or from deep in  
the United States. In Canada only Alberta  
produced crude in quantity.

**Manufacturing** and packaging came  
next—complex and intricate refining op-  
erations are needed to make the hundreds  
of oil products which find thousands of  
uses in our homes and industries, on our  
highways, in the air and on the sea.

**Transportation** was the next big bite—  
products must move over wide areas to  
serve all communities in Canada.

**Marketing** was fourth. Marketing pro-  
vides the products you need wherever you  
are—power, heat and lubricants for  
factory, farm and home. Marketing supplies  
that local businessman, the dealer,  
and if you're a fuel oil user, keeps oil  
in your tank!

**Taxes** to provincial and federal govern-  
ments absorbed 7.06 cents. And this does  
not include gasoline tax, which—depend-  
ing on where you live—takes from 22 to  
35 cents out of every dollar you spend for  
standard grade gasoline.

**Profit** was 4.9 cents out of each sales  
dollar. From this we paid three cents to  
shareholders' dividends. The rest was used  
—together with a lot more money we bor-  
rowed and still more obtained by sales of  
investments—to help meet your increasing  
needs for oil!

**IMPERIAL OIL LIMITED**
